© 2016 Nick & Kathleen Chokas - Words & Music by Nick Chokas - Key: Bb - Tempo: 68

Verse 1:

Here we are, gathered as Your Church
We feel, we feel your presence now
Here we are, seeking Your Way First
We look, we look to The Living God

Chorus:

Heal us, by Your Word Lord
Bless us, Your people Lord
Empower us, to conquer Lord,
We ask, we seek, we knock, we need you God
Refresh, our vision Lord
Set Free, our families Lord
Speak Life, to dry bones Lord
We ask, we seek, we knock, we praise you God

Verse 2:

Here we are, worshipping One Name
We stand, we stand with Hearts undone
Here we are, boldly unashamed
We come, we come to the Throne of God

Chorus

Bridge (3x):

We know You're in this place
Now anything can change
We know You're in this place
Even now God have Your way

Chorus

Ending:

We praise you God
We praise you God
We praise you God
