## *Verse 1*

Sometimes I feel like the Israelites, and I  
just can't see how God will provide  
But if I'll lift up my Praise, and keep on  
keeping the Faith,  
Then God will come through, like He said He  
would!

## *Verse 2*

That old Devil, he will get in my face, and lie  
about how God won't provide  
But if I'll stand my ground, my God will shut  
Satan's mouth.  
Cause I'm a born-again, sanctified, Child of  
the King!

## *Verse 3*

Some people say God will never provide,  
the same Power like they had back in Acts  
But if we will all harmonize, then Pentecost  
will revive,  
And the Holy Ghost will fall and make you  
lose yourself!

## *Chorus*

I know The Lord, He will provide for me,  
The Lord, He will provide for me,  
The Lord, He will provide for me,  
And the Devil can't take what Jehovah  
provides

## *Bridge 1*

I know my answer, is coming,  
My blessing, is coming,  
My healing, is coming  
God always provides

## *Bridge 2*

He gives me Joy (Oh Yes),  
He gives me Peace (Oh Yes),  
He gives me Victory (Oh Yes)  
God always provides

## *Bridge 3*

He gave me the Power (Oh Yes),  
He gave me the Fire (Oh Yes),  
He gave me the Holy Ghost (Oh Yes) [*Line

God always provides

## *Ending*

And the Devil can't take what Jehovah  
provides (repeat)
