Words & Music by Nick Chokas © 2017

## Verse 1:

I am here because of You  
I have breath because You say so  
I am free because of You  
I have life because You say so

## Pre-Chorus:

The day will come  
when I see You face to face  
But until then I will shout Your praise!

## Chorus:

While I'm living,  
While my heart is beating,  
I will worship you with everything I am  
While I'm singing,  
While my lungs are breathing,  
I will worship you with everything inside of me

## Bridge:

You gave me life so I will use it  
to Praise You in everything I do  
You saved my life so I will use it  
To Praise You in everything that I'll go through
