

# You Are With Us Key: G / Tempo: 125

Words & Music by Nick Chokas © 2017

## Verse 1:

When everything around is caving in  
as the storms of life are breaking us within  
There is an anchor we can cling to  
When You seem so far away and we can't breathe  
as the storms of life drown us in disbelief  
There is an anchor we can cling to

## Verse 2:

When all that we can ask is "how?" and "why?"  
as the storms of life bring emptiness inside  
There is an anchor we can cling to  
When we come to realize there's no guarantees  
as the storms of life make us fall on our knees  
There is an anchor we can cling to

## Chorus:

You are with us through all of our darkest seasons  
and shine Your Light, when everything seems lost  
You are with us through all of our fiery trials  
Ashes falling, beauty's coming, faith is rising

## Bridge 1:

You give us Hope  
You give us Peace  
You give us Strength  
So we will Trust You Jesus

## Bridge 2:

You are the Hope  
You are the Peace  
You are the Strength  
That we will cling to Jesus
